

-BLEEP WEEK-

4th Jan – 11th Jan 2022

The Bleep Challenge 2022 - let's kick start the new year and raise money for Cancer Research UK.

We challenge netball clubs and county associations to put on the bleep test for anyone who would like to take part in return for a £2 donation to Cancer Research UK.

Target to get 1011 umpires, netballers, volunteers and spectators to complete the test and help to raise £2022!
