

Club Matters Registration Process

Step 1: Visit www.sportenglandclubmatters.com and click 'Login' on the top right hand corner. On the following page, click 'Create new account'.

Step 2: Enter your personal details. Your email address will become your user name and is required to allow us to verify your account. Please read the declaration and either tick or leave the boxes blank depending on your preference, and complete the 'how did you hear about us' question.

Step 3: Enter your CSP from the drop down menu. Then start typing the name of your club in the second box. Select your club from the club drop down menu.

A screenshot of the 'Step 1' search interface. It features a purple header with a '1' in a hexagon and the text 'If your club is already registered, search here to find it'. Below this is a 'County Sport Partnership' dropdown menu with '- Coventry Solihull and Warwickshire Sport' selected. Underneath is a 'Club' search box containing 'at|'. A dropdown list of suggestions is visible, including 'Leamington And District Table Tennis Association', 'Exhall ABC', 'Bablake Old Boys CC', 'Phoenix Swimming Club for Disabled People', and 'Colebridge Table Tennis Club'.

If your club did not appear in the search then you will need to create a new club. We only require your CSP, club name, postcode and main sport, however the more information you can provide, the more complete your club record will be.

A screenshot of the 'Step 2' 'Add a new club' form. It has a blue header with a '2' in a hexagon and the text 'Add a new club'. The form contains several fields: 'County Sport Partnership*' (dropdown), 'Club Name*' (text), 'Contact Details' (text), 'Club Email' (text), 'Club Secondary Email' (text), 'Club Address' (text), 'Town (where club is based)' (text), 'Your club's official site post code*' (text), 'Main sport to which your club is associated?*' (dropdown), 'Multi-Sport' (checkbox), and 'No OF Members' (dropdown).

Club Matters Registration Process

If you are not part of a club you will be able to complete your registration by clicking the box to indicate you are not a club member. Again, if you are involved with a club, we would recommend linking yourself to a club while you register, as this log in option does not give you full access to all the resources.

Please check the box to confirm

Step 4: Please read our data protection statement and if you understand and agree tick the box.

You will then have to tick the 'I'm not a robot' box. This will open a window that will ask you to select all the images that contain a certain object, such as street signs. When you have completed this task click verify, this box will close and you will be able to then click register my account.

Step 5: A verification email will be sent to your address with a link asking you to confirm your account. Once you have done this – your account is ready for you to start using!

Any problems with logging in, please contact clubmatters@sportengland.org.
