

The following are the various options depending on the outcome of the National League Playoffs.

1. A team is relegated from National League Division 3 to NW Regional League Division 1 and no team from NW Regional League Division 1 is promoted to National League Division 3.

A playoff between the teams finishing 9<sup>th</sup> & 10<sup>th</sup> in the NW Regional League Division 1 and the highest placed eligible team from NW Regional League Division 2 will take place with the winner being placed in the NW Regional League Division 1 and the other two teams in NW Regional League Division 2.

2. A team is relegated from National League Division 3 to NW Regional League Division 1 and a team from NW Regional League Division 1 is promoted to National League Division 3

A playoff between the team finishing 10<sup>th</sup> in the NW Regional League Division 1 and the two highest placed eligible teams from NW Regional League Division 2 will take place with the winner being placed in the NW Regional League Division 1 and the other two teams in NW Regional League Division 2.

3. No team is relegated from National League Division 3 to NW Regional League Division 1 and a team from NW Regional League Division 1 is promoted to National League Division 3.

A playoff between the team finishing 10<sup>th</sup> in the NW Regional League Division 1 and the two highest placed eligible teams from NW Regional League Division 2 will take place with the winner and runner up being placed in the NW Regional League Division 1 and the other team in NW Regional League Division 2.

4. No team is relegated from National League Division 3 to NW Regional League Division 1 and no team from NW Regional League Division 1 is promoted to National League Division 3.

A playoff between the team finishing 10<sup>th</sup> in the NW Regional League Division 1 and the two highest placed eligible teams from NW Regional League Division 2 will take place with the winner being placed in the NW Regional League Division 1 and the other two teams in NW Regional League Division 2.

The playoffs will take place on XXXX and will comprise a 3-team round robin format with each game being played over four 12-minute quarters. Games will be played to current NW Regional League rules with the same scoring system. A league will be calculated with positions decided by the same rules as the NW Regional League.

The squad of up to 12 players for the playoffs must consist of registered players who have participated in the respective league competition during the 2024/25 season.
