1. Overview

- 1.1 The North West Regional League (NWRL) is a regional league competition organised by the Technical Support Group (TSG) to enable clubs to compete against each other to determine a regional winner. The purpose of the league competition is to provide the highest level of regional competition at an amateur level, whilst encouraging participation and development in netball through an open, fair, progressive, and transparent league structure.
- 1.2 These regulations set out below outline the Rules and Regulations which govern the operation of North West Netball and must be followed by all teams, players, officials, spectators and administrators in the management, administration, and operation of the NWRL.
- 1.3 The Regulations must be followed by all teams, players, officials, spectators and administrators in the management, administration, and operation of the NWRL.
- 1.4 It is the responsibility of the club, not North West Netball, to ensure that all players and relevant parties within the team are fully conversant with these regulations.

2. Competition Structure

- 2.1 The competition shall be known as the NW Netball Regional League and shall comprise of the following leagues:
 - NW Premiership (10 teams)
 - NW Championship 1 (12 teams)
 - NW Championship 2A (12 teams)
 - NW Championship 2B (12 teams)
 - NW Championship 2C (12 teams)
- 2.2 All matches will be counted to determine the overall NW Premiership League winner and teams in relegation positions. However, to determine which team will be allocated the playoff place at the England Netball Premier League Play-offs, all matches played against clubs that have teams within England Netball Premier Leagues 1, 2 or 3 will be treated as 'non-material/friendlies' and will be discounted (points, goals scored and conceded) from the final league table (there will be two league tables on the North West Netball website for the NW Premiership League - <https://www.netballnorthwest.org.uk/>)
- 2.3 If a regional nomination has a player that has played for an England Netball Premier League team during that season, they can only play in the Premier League playoffs if they have deregistered from the England Netball Premier League team in time (usually by round 15) and with the approval of England Netball.
- 2.4 The team which finishes top of the NW Premiership League at the end of the season will be the NW Premiership Champions. However, as per 2.2 above, it will be the team who does not have a team in England Netball Premier League 1, 2 or 3 who will progress to the England Netball Premier League play-offs. There is a separate set of competition rules/regulations for the play-offs provided by England Netball.
- 2.5 Playoffs will determine promotion and relegation to and from NW Premiership and NW Championship 1 – please see Appendix 1. (NB: this could change if a team withdraws/is excluded part way through the season).

- 2.6 All matches in both Championship 1 and 2 will be counted to determine the overall league winners and teams in relegation positions, including those with teams in England Netball Premier Leagues 1, 2 or 3.
- 2.7 The team which finishes top of NW Championship 1 will become NW Championship Champions. The team(s) who do not have a team in the NW Premiership league, will be invited to participate in playoffs to determine promotion to NW Premiership – please see Appendix 1. The three teams finishing bottom (10th, 11th & 12th) of NW Championship League 1 will be relegated to NW Championship League 2. (NB: this could change if a team withdraws/is excluded part way through the season).
- 2.8 The top three eligible teams in each of the three NW Championship League 2 tables (do not have a team in NW Championship 1) will be invited to participate in playoffs to determine the three teams promoted to NW Championship League 1 – Please see Appendix 2.
- 2.9 A club may change its name during the season; however, their England Netball membership number must remain the same to not be considered a new club. Any new clubs will only be allowed to enter as a new team in NW Championship Division 2 even if it consists of players from another club previously playing in a higher division.
- 2.10 If a team wishes to leave its place at any time during the season, the position remains empty for the remainder of the season and all results will be removed from the results table against all teams.

3. Competition Organisation

- 3.1 The competition and all rights and properties associated with it shall be owned, controlled and managed by the Regional Management Board, which may delegate its powers and authority in this respect to any sub-committee or individual(s) i.e., TSG.
- 3.2 North West Netball is responsible for the organisation and management of the NW Premiership League and NW Championship leagues 1 and 2.

 - 4.2.2.1 the use of a player without an active England Netball membership in a fixture or fixtures will result in a deduction of three (3) league points, but the result of the fixture will still stand.
 - 4.2.2.2 the use of an unregistered player or a player who is underage without written permission from the Competition Referee will result in a deduction of three league points, but the result of the fixture or fixtures will still stand.
 - 4.2.2.3 any player under the age of 16 years, playing in more than two regional games (junior or senior) per weekend will result in two points deducted per player per fixture.

- 4.2.2.5 conceding on more than one occasion (i.e., two league fixtures) will result in expulsion from the league.
- 4.2.2.6 any team excluded from a league for conceding two or more fixtures will not be allowed to participate in the NW Regional League the following season and will only be permitted to re-enter the league the following year at the entry level (e.g. a team concede two fixtures in the 2023/24 season and will therefore miss the 2024/25 season and will re-enter the league in 2025/26 season in the Championship 2 league);
- 4.2.2.7 two (2) points deducted per player, per match, for playing more than two players up/down between leagues (see rule 5.3.7); and two (2) points deducted per player per match, for any team using a Super League player once that player has been registered to play for a Super League team.
- 4.2.3 adjudicating instances of unsportsmanlike behaviour or behaviour that brings the sport into disrepute, including instances of teams predetermining, or attempting to predetermine, the outcome of a match and/or the competition.
- 4.2.4 maintaining and being responsible for a confidential Competition Referee Logbook, where appropriate.

 - start the match.
 - continue to play.
- 4.2.7 determining any matter not covered specifically within these Regulations.
- 4.3 The Competition Referee may call upon, or delegate to, additional persons to assist with the Competition or consult with other persons prior to making any decision. However, the final decision and accountability for the decision will rest with the Competition Referee.

These need to be lodged with the TSG by email to **nwnetballcompetition@gmail.com** by 1st September 2023. Once a player has been registered to a regional team within their club, they cannot transfer to a different league within that club after the registration deadline of 1st September 2023 (for example, a player who is registered to a NW Prem squad on 1 September 2023, cannot, at any point, including playoffs, transfer their registration to Champs 1 or 2 squad). Movement between the leagues is permitted – see Rule 5.3.7.

5.3.2 Teams may only use those players whose names appear on their Squad Registration Sheet held by North West Netball (see Section 4.2.2 (b) for the penalty for breach of this).

5.3.3 Any additions to the Squad Registration Sheets must be lodged, with North West Netball by 17:00 hours on the Thursday prior to the fixture weekend. - If a Championship 1 player plays up into NW Premiership, they will not be allowed to play down into Championship 2.

- A NW Premiership player can play down into Championship 1 but not Championship 2.

- A Championship 2 player can play up to Championship 1 not NW Premiership).

i) To allow player progression, players can play for a different club in the senior leagues to the club they play for in the junior leagues.

- 5.4.2 The home team is responsible for arranging the venue, and for the cost of this.
- 5.4.3 All venues should have ancillary facilities for approximately 30 participants, including changing and showering facilities for both teams and officials.
- 5.4.4 It is the responsibility of the home team to conduct a risk assessment, prior to each match. Umpires will undertake pre-match checks to ensure the match is safe to play. It is within their jurisdiction not to allow a match to go ahead, if not deemed safe to do so. In instances where risks have been identified, a copy of the risk assessment should be sent to the TSG at email address nwnetballcompetition@gmail.com.
- 5.4.5 For all 'incidents' on or off the court at a Match an England Netball Accident Report form must be completed, and a copy sent to the TSG at email address nwnetballcompetition@gmail.com

5.5 Accidents

- 5.5.1 If an accident occurs at any match where a player, coach, match or technical official, spectator or staff member is injured, the accident reporting procedure should be followed as detailed on <https://www.englandnetball.co.uk/membership/insurance/report-a-claim/>.
- 5.5.2 This procedure should be followed for ALL injuries and accidents, regardless of whether medical treatment is given.

6. Playing and Competition

6.1 Competition Scheduling

- 6.1.1 All matches MUST be played as per the fixture schedule published by North West Netball and take place on either the Saturday or Sunday of that weekend.
- 6.1.2 Each team in the NW Premiership league will play the other teams in their league twice in a season, once at home and once away.
- 6.1.3 Each team in NW Championships 1 and 2 will play each other once as per the fixture schedules published by North West Netball.
- 6.1.4 The start time of each match will be mutually agreed between the teams but will not normally be earlier than 10.00am or later than 3:00pm. Any dispute over start times will be determined by the Competition Referee at their absolute discretion.
- 6.1.5 The home team must provide their opponents (and North West Netball at email address nwnetballcompetition@gmail.com) with confirmation via email of the fixture, venue address including post code, ten (10) days prior to the date of the fixture.
- 6.1.6 The away team will be responsible for arranging its own travel and the cost of this. The away team should allow sufficient travelling time to cover any unexpected delays. If a team is delayed in arriving for a fixture, the following protocol must be observed:
 - a) Inform the opposing team and umpires as soon as they are aware of a delay.
 - b) Any team which fails to arrive on time must take the court and be ready to play as soon as possible and in any event within thirty (30) minutes of the agreed start time. Teams should be given a minimum of five (5) minutes for players to warm up to prevent injuries and this should be started as soon as there are five 5 players present.
 - c) Any team taking to court more than thirty (30) minutes after the agreed start time will concede the match.
- 6.1.7 No team may play a match with less than five (5) players; any team with less than five (5) players will automatically concede the game.
- 6.1.8 No team may postpone or rearrange a fixture (including time and venue changes from the fixture schedule published by North West Netball) without the agreement of the TSG, through the Competition Referee. In the event of extreme or unforeseen circumstances (e.g., flash flood, heavy snowfall, etc.) the team affected by the circumstances must inform North West Netball, their opponents, and the umpires of the situation. North West Netball should be contacted by email to nwnetballcompetition@gmail.com for all these issues. Failure to notify North West Netball, will result in the affected team conceding the fixture.

6.1.9 Matches that are postponed in these circumstances must be played before the final fixture date, unless otherwise agreed by the North West Competition TSG. Injuries or illness (including COVID-19 related illness) pregnancy, England Camps, NPL, inter-county play days, school fixtures, non-affiliated netball competitions or other netball commitments do not quantify as unforeseen circumstances, and in these instances failing to fulfil the fixture will result in the affected team conceding the match. The primary responsibility for rescheduling such fixtures shall reside with the home team, and any dispute over rescheduling shall be determined by the Competition Referee.

6.1.10 In the event of a game being conceded:

- a) the non-offending team will be awarded five (5) league points for the match, and the team which conceded will have five (5) league points deducted from their total; and
- b) the team which conceded may be liable to pay any costs which the non-offending team has incurred, subject to the determination by the Competition Referee.

6.1.11 If a match is abandoned for any reason (e.g., because of serious injury), the result of that match will be determined by the Competition Referee, having regard to the score at the time at which play was suspended.

6.2 Match rules and format

6.2.1 All fixtures shall be played in accordance with the World Netball Rules of the Game currently in force at the time of the relevant match, except where specifically stated in these Regulations.

6.3 Match Officials – Please see Appendix 3 and 4

6.3.1 In the event that an umpire fails to arrive, or is injured or taken ill during a match, the following procedure will be applied:

- a) If another umpire of the appropriate minimum standard is available, then they will umpire the match.
- b) Failing that, the next best-qualified umpire should be used.
- c) If the appointed umpire arrives late and the game has already commenced, the umpire that started the game will continue for the entire duration of the match.
- d) If any of the above arise, TSG must be informed in writing, by email, to nwnetballcompetition@gmail.com, immediately after the match.

6.3.2 Any concerns about umpires should be emailed to Chris McCall at nwofficiating@gmail.com.

6.4 Technical Officials

6.4.1 The Technical Officials are the Scorers and Timekeepers. The two (2) scorers and the two (2) timekeepers shall between them constitute the Officials Bench.

6.4.1.1 Each team must provide a competent scorer; scorers will be required for all fixtures.

6.4.1.2 Each team must provide a timekeeper for each match played.

6.4.1.3 If agreed between both teams, the home team can provide all Technical Officials for a fixture.

6.4.2 Scorers are required to utilise the Result Sheet and Running Score Sheet for their matches.

6.5 Team Officials

6.5.1 A team may have up to five (5) Team Officials; these will include a coach and at least one primary care person.

6.5.1.1 A primary care person:

- a) must be qualified to diagnose and treat injury or illness with a minimum of a first aid qualification (copy of first aid certificate to be made available at each match).
- b) is permitted on the court during a stoppage for injury/illness of a player or blood issues.

- c) must advise the umpires if a player is too ill/injured to be removed from the court within 30 seconds and/or if assistance is required.
- 6.5.2 Team Officials may be fewer than specified and may therefore undertake several duties. However, primary care person/s must not also be players and it is preferable that they do not hold any other role.
- 6.5.3 The Team Officials and up to five (5) players not on court shall constitute the Team Bench.
- 6.6 Match Timings
- 6.6.1 All matches shall be of one hour's duration (four (4) quarters of fifteen (15) minutes each).
- 6.6.2 All matches shall have an interval of five (5) minutes at half time, and intervals of three (3) minutes at quarter and three-quarter time.
- 6.7 Scoring
- 6.7.1 Teams will be awarded league points as follows:
- Five (5) points for a win.
 - Three (3) points for a draw.
 - Two (2) points for a loss if within 5 goals of the winners' score – i.e., 50-46 = 2 points, 50-45 = 1 point.
 - One (1) point for a loss if more than 50 per cent of the winners' score.
 - Zero (0) points for a loss.
- 6.7.2 North West Netball league tables will be compiled based on the points awarded to each team. Where teams are level on points:
- Goal Average shall be used to determine their relative positions, i.e., the team with the higher Goal Average over the course of the season shall take precedence.
 - If the Goal Average does not differentiate between the teams, then the Goal Difference shall be applied, i.e., precedence shall be given to the team with the greater difference between goals scored and goals conceded.
 - If Goal Difference does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence.
 - If neither Goal Average nor Goal Difference nor goals scored can differentiate between the teams, the aggregate score in the match or matches played between them over the course of the season shall be calculated and precedence given to the team whose scores were greatest.
- 6.7.3 In the event that none of the above differentiates between the teams, the Competition Referee shall determine the means of differentiation.
- 6.7.4 Where one of the teams has its Goal Average, Goal Difference or total number of goals scored affected by conceded fixtures, then all goals scored by and against conceding team(s) in all fixtures shall be omitted from the calculations of both teams level on points. Except where one of the teams that are level on points is the conceding team, at which point they assume a goal average of 0 and will be the lowest ranked team of those level on points.
- 6.8 Registration of results
- 6.8.1 For all NW Regional League matches the Result Sheet and Running Score Sheet must be used and completed fully, checked by scorers, and signed by scorers, umpires, and captains.
- 6.8.2 ONLY the home team is required to submit the match day Score Sheet. A high-quality scan/photo should be sent by email to nwnetballresults@gmail.com – and opposition – within twenty-four (24) hours of the match. (NO Running Score Sheet is required.)

- 7.2 Where a Complaint relates to the governance or administration of the Competition by the Competition Referee, such complaints will be dealt with under the Complaints Procedure of the North West Region.
- 7.3 Where the Complaint relates to the behaviour of an individual player or team participating in, or a volunteer or individual attending a Match, which could be considered as a Disciplinary Offence under England Netball's Disciplinary Regulations, such Complaint will be dealt with in accordance with the processes set out in England Netball's Disciplinary Regulations and should be referred to the Disciplinary Secretary of England Netball.

8. Appeal of Competition Referee's Decision

- 8.1 The decision of the Competition Referee in relation to a Complaint submitted in accordance with section 7.1 shall be final and binding on all parties save that a party has a right to appeal in the following circumstances:
- 8.1.1 If the decision has a potential impact on a match result, a league table, or the outcome of the Competition; AND
- 8.1.2 If there has been a failure by the Competition Referee to follow or act in accordance with these Regulations and/or the Competition Referee reached a decision based on an error of fact.

- 8.3 An appeal should be forwarded in writing from the Team Manager of the appealing Team to the Competition Referee within seventy-two (72) hours of their receiving the decision of the Competition Referee who will refer it to the Chair of North West Netball at nwnetballchair@gmail.com.

- 8.7 All submissions and evidence must be submitted in writing. The Chair of CAC will otherwise have the discretion to determine the process, procedure, and direction of the appeal.
- 8.8 The CAC shall meet and reach a determination within seventy-two (72) hours of receiving all the evidence and submissions.

The CAC shall have the discretion to publish the decision through whatever medium it considers appropriate.
- 8.10 The CAC shall have the delegated power of North West Netball to make all decisions and impose and enforce any penalties and sanctions (including but not limited to reprimands, the deduction of points, fines, suspensions, and expulsions from the Competition) relating to the appeal. There is no further right of appeal on this decision.

- 8.12 The parties also waive irrevocably their right to any form of appeal, review or recourse to any court or other judicial authority, or under England Netball’s Disciplinary Procedures Manual or otherwise, insofar as such waiver may be validly made.
- 8.13 The seat of arbitration shall be England, the language used shall be English and the governing law of the regulations and these proceedings under Section 8 shall be English Law.
